CREDITS
FOR STUDENTS
OF ALL AGES

Learning... at the speed of life.

School doesn't have to be a chore this spring and summer with Edmonton Public Schools Metro Continuing Education's selection of lively and engaging student program courses.

Quick Courses = Quick Credit

Summer School

With Metro Continuing Education's Summer School, you can complete a five-credit high school course in a little less than four weeks. Metro, in partnership with Edmonton Public high schools, has a variety of 10- and 20-level subjects to choose from. Metro also offers 30-level subjects to help you upgrade your marks or create more flexibility in your regular school year timetable. Summer school classes are also open to adult students who need to upgrade or complete their high school diploma requirements for post-secondary pursuits.

"Taking classes throughout the summer allowed me to have every afternoon off in the 2nd semester!" - Mark, Grade 12 student

"Thanks to Metro's Summer School, I got into university in time for September classes." - Kimberly, Grade 12 student

Build Brain Power with the Grade 9 PAT Prep

In May and June, Metro's Grade 9 Provincial Achievement Test Prep courses will be offered. These core subject classes will give students the opportunity to review key concepts, practice important questions and learn specific exam-writing strategies as they prepare to complete their provincial achievement tests.

Grade 12 Diploma Exam Prep

In June and August, Metro's Diploma Prep courses will assist Grade 12 students in reviewing key concepts and topics, writing sample exams and learning specific exam-writing strategies as they prepare to complete their exams. Diploma review courses are available in math, science, social studies, english, chemistry, physics and biology.

"I have learned many things that I was not sure about. I feel very confident to write the diploma exam now. The teacher was excellent, very informative and had a great way of explaining topics." - Student, Brain Booster

"Overall, it was a great experience, great teaching and it was definitely worth the money. Thanks Metro!!!" - Student, Brain Booster

Beat the Heat with Metro's Summer Cool School

Running in July, Metro's Summer Cool School 2009 will offer one-of-a-kind day programs for elementary and junior high students. These day programs include courses in core academic areas, English as a Second Language classes and Sports & Adventure Camps. Students may choose to customize their own one, two or three week day camp program or take individual courses.

Metro's Academic classes offer students an opportunity to catch up or get ahead in math or language arts this summer. Metro's Sports & Adventure Camps cater to those wanting to discover a new hobby or sharpen an old one, and are jam-packed with a variety of sports options and courses in photography, cooking and computers. As well, for the Canadian newcomer or those looking to improve their English language communication skills, Metro also hosts English as a Second Language courses for children and teens.

Let Metro Make Mother's Day Special

Surprise mom this year with a gift that lasts a lifetime; the gift of lifelong learning. Metro has a colourful assortment of enriching courses for mom to choose from. If she's looking for some much-needed rest and relaxation time in the garden, one of our many home and garden courses would be ideal. If she doesn't garden but is still in need of some downtime, Mind, Body & Soul courses are an excellent means of pampering her. Metro even offers opportunities for her to experiment with a new craft or dance her way to fun and fitness.

Metro gift certificates are available and can be used for courses anytime of the year, including the next *Class Calendar* scheduled for release in August.

Here are a few other Adult Continuing Education courses that we recommend:

[Face Lift Reflexology \(0055643\)](#)

Learn the skills and enjoy the benefits of a rejuvenating facial reflexology session. When used regularly, it gives the appearance of a face lift. Regular sessions result in healthier skin and a more youthful appearance. You will have the opportunity to practice this therapeutic remedy on your classmates as well.

Instructor: Christine Baptiste, wholistic practitioner

Starts: May 23, 2009 or June 20, 2009 - Runs for one half-a-day

[Country & Western Dance Beginner \(40170\)](#)

Stop missing out on all the fun! Learn the two-step and triple-two step in this upbeat class. Please register in couples.

Instructor: Dwayne Tulik

Starts: May 13 - Runs for six Wednesday evenings

[View all Dance courses](#)

[Fused Glass Sushi Set \(0065360\)](#)

Come and discover the world of hot glass and the fun of fusing. Create a one-of-a-kind, functional sushi set. Decorate a small serving plate and two sauce bowls. You will be using frits and stringers while learning about fusing and slumping.

Instructor: Tracy Bissett

Starts: July 16 - Runs for one Thursday evening

[View all Passions & Pastimes courses](#)

[Bottoms Up \(0072030\)](#)

Construct ultra comfy PJ's or lounge pants to wear around the house. You will learn basic sewing techniques as you sew comfortable yet fashionable bottoms to suit your body and style. Supplies are needed.

Starts: May 11th - Runs for three Monday evenings
