SUMMER CAMPS

Do more with metro this Summer

Learn more. Journey beyond the classroom this summer. Our qualified and certificated instructors will take you on an experiential learning expedition. Find new interests and let curiosity guide you in camps designed to promote literacy and numeracy.

Create more. Express yourself through drawing, designing, writing and performing. Our innovative and energetic camps promote personal growth, imagination and collaboration. Create experiences that last beyond the summer.

Explore more. Embark on an adventure to discover Edmonton's hidden gems. Led by unique local businesses and successful entrepreneurs, our hands-on camps build real-world problem-solving skills. Build relationships and get to know our community in new and interesting ways.

Find Your Summer Experience

2 How Things Work

For the curious mind who wants to play the game but also learn how to make it—try camps like Extreme Engineering, Make Your First Video Game, and Minecraft Camp.

4 Discover

Exercise your imagination and explore Edmonton with camps like Wizard Academy, Hidden Worlds: Edmonton Edition, Pet Vet and Nature Ninjas.

8 Cook and Create

Unleash your creativity and refine your cooking (and eating) skills with camps like Cool Creators, Edible Adventures, and Wild at Art.

11 Camps at a Glance

13 Registration Information

Back Page Summer At Metro

Find information about all of Metro's summer programs—learning for all ages and stages of life.

Did you know?

Our summer camps support the development of the Alberta Education competencies

Critical Thinking | Problem Solving | Managing Information | Creativity and Innovation
Communication | Collaboration | Cultural and Global Citizenship

How Things Work

For the curious mind who wants to play the game but also learn how to make it

STEAM Sampler

Experience Science, Technology, Art and Math (STEAM) this summer with our STEAM Sampler. Look through this catalogue to find Mad Science, Boss Builders, Nature Ninjas and Cool Creators. Take each of these week-long camps to explore your options and become a well-rounded camper.

Boss Builders

Building things to last involves asking a lot of questions. What makes a strong structure? How can structures use gravity to move objects? How do structures use gears and pulleys? Learn from experts. Sketch, write plans, design and build with a team.

STEAM sampler

July 13 - 17	8 - 11	8:30 am - 4:30 pm	Laurier Heights	\$399

Camps That Build

e² Young Engineers provides engaging and hands-on learning experiences to build the engineers of tomorrow. Each day begins with a Science, Technology, Engineering, and Mathematics (STEM) theme, followed by exploration with Lego to build interesting models and moveable robots!

Extreme Engineering

If you love to build things—and take them apart—this camp is for you! Spend half the day with experts from **e2 Young Engineers**, where you'll build with Lego to learn the basic principles of math, science and engineering. Then, unleash your creativity as a maker for the rest of the day as you explore the Maker Space and participate in team building challenges. Sky's the limit!

DATES	AGES	TIME	LOCATION	FEE
July 27 - 31	6 - 8	8:30 am - 4:30 pm	Laurier Heights	\$349
July 27 - 31	9 - 11	8:30 am - 4:30 pm	Laurier Heights	\$349

Young Engineers: Learning STEM with LEGO®

Calling all young engineers! Love to build things? Come play with Lego as you learn basic engineering, physics and math. You will explore the scientific world by building custom motorized LEGO® models!

DATES	AGES	TIME	LOCATION	FEE
July 13 - 17	8 - 11	8:30 am - 4:30 pm	Johnny Bright	\$349

Code Discoverers

Get creative with writing your own code! Have fun solving problems with visual block coding and technology. Learn coding basics through a combination of plugged and unplugged activities. We'll play problem-solving games and provide all the technology you need! This camp is offered in partnership with Discover Coding.

DATES	AGES	TIME	LOCATION	FEE
July 6 - 10	6 - 8	8:30 am - 4:30 pm	Johnny Bright	\$369
July 13 - 17	6 - 8	8:30 am - 4:30 pm	Laurier Heights	\$369

Make Your First Video Game

Do you love video games? Don't just play when you can create your own! No experience is necessary. Use your own ideas to create your own 2-D platformer game. Then move on to creating more challenging 3-D worlds. Explore beginner storytelling, event scripting and level design, and learn to control the flow of game play. Challenge your family and friends with the new games you have created!

DATES	AGES	TIME	LOCATION	FEE
July 20 - 24	8 - 11	8:30 am - 4:30 pm	Johnny Bright	\$399
July 27 - 31	8 - 11	8:30 am - 4:30 pm	Laurier Heights	\$399

Minecraft Camp

Love Minecraft? Stay ahead of the game by writing code! Design, build and test your own mods for the Minecraft world. We'll tackle design challenges including amusement parks, an obstacle course, city skyscrapers, capture the flag and more. Discover scripting and commands to make your builds more efficient and interesting. You can even keep the worlds your classmates build to use later!

DATES	AGES	TIME	LOCATION	FEE
July 6 - 10	8 - 11	8:30 am - 4:30 pm	Johnny Bright	\$369
July 13 - 17	8 - 11	8:30 am - 4:30 pm	Laurier Heights	\$369

Rocket Kart Racers: Design A Mario Kart-Style Game

On your mark, get set, create! Design your first 3D game in the style of Mario Kart and Crash Team Racing! Customize your karts and characters using professional 3D game development software. Then combine creations into a game you can play with your friends. Learn the basics of eSports games and apps, create commentary for live tournaments, use professional streaming software and find out important online safety tips. You could be the next pro gamer, streamer or gamecaster!

DATES	AGES	TIME	LOCATION	FEE
July 6 - 10	8 - 11	8:30 am - 4:30 pm	Laurier Heights	\$399
July 27 - 31	8 - 11	8:30 am - 4:30 pm	Johnny Bright	\$399

Discover

Exercise your imagination and explore our vibrant community

Hidden Worlds: Edmonton Edition

Dig deep, get muddy and uncover the secrets right beneath your feet! Grab your shovel, unearth insects and strange beasts, and explore rocks and minerals. Learn what buried clues tell us about people long ago and travel millions of years through time to the fascinating land of dinosaurs. You'll become an expert on Edmonton's hidden worlds!

DATES	AGES	TIME	LOCATION	FEE
July 6 - 10	8 - 11	8:30 am - 4:30 pm	Laurier Heights	\$339
July 13 - 17	8 - 11	8:30 am - 4:30 pm	Johnny Bright	\$339

A Trip a Day- Oh, the Places You'll Go!

Ready for a week of adventures? Look no further than your own city! Bring your friends and explore the most exciting places Edmonton has to offer. Get ready to be hands-on, active, artistic, nature loving and curious. Discover new interests, create summer memories and prevent the summertime blues with a unique trip each day.

July 20 - 24	8 - 11	8:30 am - 4:30 pm	Laurier Heights	\$399

“ The content was really interesting and intriguing. My instructor helped everyone be independent. ”

Sparkles, Rainbows, Unicorns & Llamas

Looking for a magical time this summer? No problama! Enjoy art, science, simple snacks and crafts rolled into one fabulous week. We'll create rainbow science projects, including edible experiments, crystals and slime! Adventure in mystical forests and discover stories of fantastic creatures. Craft a tie-dyed T-shirt, as well as unicorns and a fuzzy little llama. Please bring a T-shirt for our tie-dye project.

DATES	AGES	TIME	LOCATION	FEE
July 13 - 17	6 - 11	8:30 am - 4:30 pm	Laurier Heights	\$289
July 20 - 24	6 - 11	8:30 am - 4:30 pm	Johnny Bright	\$289

Instructors That Inspire

MARKIANA DHADLI

Markiana Dhadli has Bachelor of Fine Arts and Education degrees. She has been teaching art to K - 9 students ever since she graduated and excels at engaging her students in a variety of art making processes. Her specialty is printmaking, but she loves all of the disciplines, especially combining them to create mixed media.

Wild at Art!

Get messy and try wild new art techniques! Express your creativity and create art that is unique to you while exploring different visual effects. Learn to collage, paint, print make, sculpt, construct and much more!

DATES	AGES	TIME	LOCATION	FEE
July 13 - 17	8 - 11	8:30 am - 4:30 pm	Laurier Heights	\$339

METRO SUMMER CAMPS REFUND POLICY/WITHDRAWALS

Cancellations:

Metro reserves the rights to cancel any camp. A full refund will be issued for all cancelled camps. Please note that Metro Continuing Education does not close sites due to weather and camps will run as scheduled when possible.

Withdrawals/Refunds:

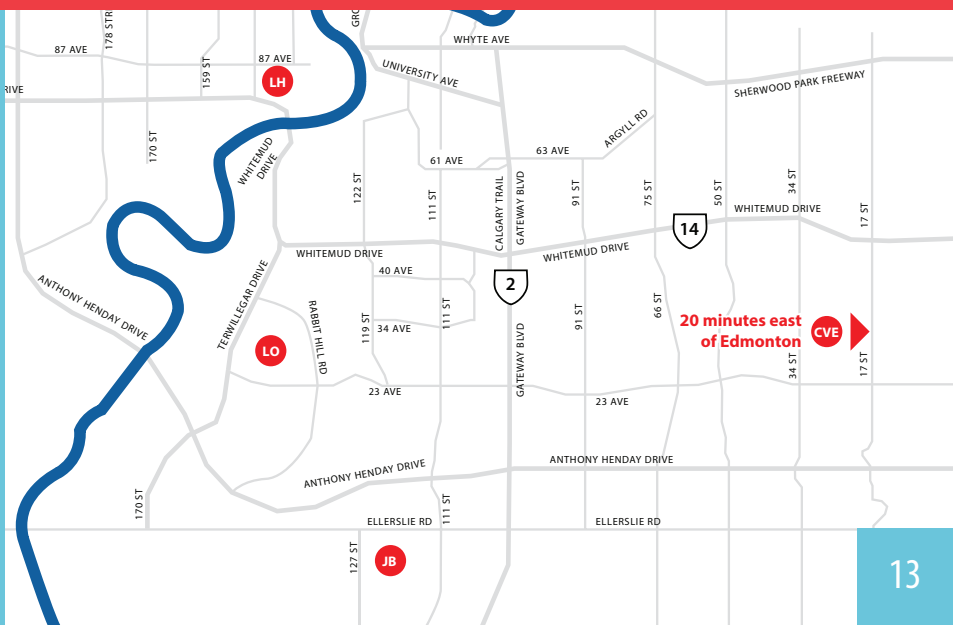

To withdraw from a camp for a refund, please notify Metro's Registration and Customer Service office at least one (1) full business day prior to the start of your camp. At this time, a full refund, minus a \$40 service fee, will be issued.

Refunds will not be issued once a camp has begun or for non-attendance.

Metro Continuing Education 7835 - 76 Avenue NW, Edmonton, Alberta
